Clay work

LANGUAGES

Turkish (Native)
English (Fluent)

LIVED IN

Turkiye ————— 2000 - 2016
South Africa ——— 2016 - 2017
Uganda ————— 2017 - 2018
New York, USA ——— 2018 - 2019
Texas, USA ————— 2019 - Present

OBJECTIVE

With award-winning student design experience and a global perspective, dedicated to create innovative, sustainable, and human-centered solutions, as well as honoring cultural heritage, enhancing walkable urban environments, and shaping resilient built spaces that foster community well-being.

EDUCATION

Master of Architecture **Fall 2023 - Spring 2026**
University of Texas at Arlington GPA: 4.0

Bachelor of Science in Architecture **Fall 2019 - Spring 2023**
University of Texas at Arlington GPA: 3.78

WORK EXPERIENCE

Teaching Assistant *August, 2023 - January, 2024*
University of Texas at Arlington

- Managed and organized design-build woodshop, metal shop, and tool room; maintained stationary power tools to support safe, efficient hands-on learning for 30+ architecture students.
- Designed custom storage furniture and tool organization systems to improve workflow, accessibility, and shop safety across two large studio spaces.
- Installed wall-mounted first aid stations and security cameras; maintained essential tools and equipment to enhance safety and operational readiness.

Graduate Research Assistant/Architecture Intern *January 2024 - Present*
Arlington Urban Design Center, City Hall

- Developed sustainable urban, architectural, and interior design proposals responding to social, cultural, and functional needs for the City of Arlington.
- Produced renderings, floor plans, elevations, and visual presentations to clearly communicate design concepts to clients and stakeholders.
- Contributed to 10+ projects across multiple scales, including Arlington Life Shelter interiors, Arlington Baptist University Library renovations, facade and site planning projects, and Arlington City Hall memorial designs – several advancing to construction.

ARCHITECTURAL AWARDS

AIA Dallas Student Design Awards *September, 2024*

Won the AIA Dallas Student Design Award, 2024, for the design of Joppy Momma's Pavilion that meets the sustainability goals of the farm with innovative solutions, while honoring and reviving the local culture by addressing the history of the neighborhood.

Trinity Urban Design Awards *December, 2024*

Won the Trinity Urban Design Awards with the Joppy Momma's Pavilion project as this year's winner under the Student Awards due to its creative flair showcasing innovative urban design features and its benefits for the community.

VOLUNTARY INVOLVEMENTS

Gardening and Food Distribution *February, 2023*

Contributed to the labor division of the Joppa farmers by gardening, and transported all the farm crops to the farm stands, organized them to distribute to the community and engaged with the farmers to pack the crops.
